## Folding Tents

# FZ PRO

Pop-up tents that take 60 seconds to set up and require no additional tools or trained staff due to their integrated easy set-up mechanism.

We have made sure your folding tent is as easy to set up as it was on day one, even after years of use.

For the longevity and durability of your tent we offer a five-year manufacturer's warranty on materials and construction defects. And there's more: the supply of spare parts is guaranteed for ten years.

All tents are interconnectable

Flame retardant fabrics

Quick and easy assembly and disassembly

Fast deployment structure, versatile, reliable and robust

## Tent skin

The tent skin is made of one-sided PU-coated polyester fabric 550dtex (240 g/m<sup>2</sup>), flame retardant and waterproof.

## Frame

The tent frame is made entirely of anodized aluminum rectangular tubes with aluminum connectors. To protect the tent roof from friction wear, plastic caps are attached to all parts and screws in contact with the fabric.
