Description

Tent LED Inner Lighting Setolite Aldebaran Smartline RP 72 for tents, shelters, field hospitals, tactical communication centers, command posts, military applications.

Setolite Aldebaran Smartline RP 72 LED

Lighting fixtures have various possibilities for attachment, are low weight and have a reduced height. The modest, timeless design unites a modular basic construction with the advantages of modern and energy saving LED technology.

- Diverse possibilities for mounting.
- Suspension and mounting maximise the application potential of the SmartLine luminaires.

- The low dead weight and reduced construction height provide unbeatable advantages.

Additional Information
