

Plastic Folding Table Lightweight and Portable

Product Images

Short Description

Plastic Folding Table - Folds in Half with Carrying Handle, Rectangular Shape - Lightweight and Portable - White Resin with Sturdy Steel Frame

Description

CONVENIENT AND COMPACT: This table folds in half and lies flat when folded for easy storage anywhere it fits. The handy handle makes it easy to transport. **SEATS MANY:** Large in size, this table accommodates many people. **DURABLE BUILD:** Our impact-resistant resin surfaces are supported by powder-coated steel frames with arched rails. Waterproof, stain and scratch-resistant, they are built to last a lifetime. **EASY TO USE:** Four heavy duty steel legs easily fold in and out for hassle-free setup. The resin finish wipes clean with a washcloth. The lightweight frame and handle facilitate transportation.
