

Portable Folding Field Bed

Product Images

Short Description

The folding field bed is a rugged, durable cot, manufactured to military specifications.

Description

General information

The extra durable polyester material and scratch resistant powder coating to protect the hybrid steel and light alloy frame both help to maintain this great look for a long time. The folding bed appeals because of our cutting-edge and especially user-friendly pull-out frame (One-Go-System folding).

Features

- Unfolds and folds in seconds
